PROFESSIONAL SUMMARY

Experienced Software Engineer specializing in full stack development. Extensive background designing and maintaining scalable applications in finance and healthcare, including a budget tracking system and supply chain management app. Proficient in C#, .NET, and SQL Server, React/NextJS — focused on delivering robust, maintainable backend solutions.

TECHNICAL SKILLS

Languages	C#, .NET / .NET Core, VB.NET, ASP.NET, JavaScript, TypeScript, HTML
Frontend	React, Next.js, Tailwind CSS, Bootstrap, jQuery, WebForms, Razor
Databases	SQL Server, Oracle, PostgreSQL
Tools	LINQ, Web Services, MVC, Entity Framework, SSRS, RestfulAPI

PROFESSIONAL EXPERIENCE

Software Engineer

Mar 2017 – Present

Deseret First Credit Union · Salt Lake City, UT

- Developed and maintained tools using C#, .NET Core and WebForms, streamlining workflows and improving operational efficiency across departments.
- Collaborated on a responsive loan and account application using Next.js, TypeScript and Tailwind CSS, improving user experience and increasing application processing speed.
- Designed and implemented a budget tracking system for accounting, improving budget accuracy and reducing manual entry errors.

Application Support / Software Engineer

Sep 2010 – Mar 2017

Intermountain Healthcare · Salt Lake City, UT

- Supported a Supply Chain Management web app; led enhancements that improved user experience and system efficiency.
- Maintained patient tracking tool built on Java EE, MVC, and GWT.
- Built Windows application for radiology quality control using Windows Forms and MS SQL Server.

Software Engineer

Oct 2009 – Aug 2010

Standard Register · Dallas, TX

- Built and deployed VB.NET applications for printing processes, improving efficiency and reducing errors in print jobs.
- Developed C# tool to convert PostScript to PDF.
- Provided IT support for plant operations.

Application Support

Sep 2008 – Oct 2009

Perot Systems · Dallas, TX

- Provided support for ASP.NET healthcare applications, troubleshooting issues and ensuring smooth operation to improve system reliability.
- Built C# password reset tool and integrated SSRS with ASP.NET.

Desktop Support Analyst

Nov 2004 – Sep 2008

CompuCom · Dallas, TX

- Provided desktop, network, and telecom support using Windows Services and SQL Server, ensuring seamless operations and reducing downtime.
- Managed deployments, IT inventory, and maintained patch and antivirus compliance.

EDUCATION

Associate of Applied Science, Software/Programming Development

Richland College · Dallas, TX
